Dear Parents/Carers,

I am writing to ask for your support in helping us keep our school site as safe as possible for all students, staff and visitors.

We kindly ask that parents and carers do not drive onto the school site for student drop-off or collection, unless this has been agreed in advance due to an accessibility need.

The school drive is used by pedestrians throughout the day and becomes particularly busy before and after school. Limiting vehicle access at these times helps us create a safer environment for everyone. If you are collecting your child, please arrange to meet them off-site and avoid stopping or waiting on the school drive. We also ask that all drivers remain considerate of our neighbours and follow local parking restrictions when parking near the school.

We appreciate that collecting children can sometimes be challenging, and we are grateful for your understanding and cooperation. By working together, we can help ensure that every student arrives at and leaves school safely.

Thank you for your continued support.

Ms Zaynab Bharuchi
Vice Principal
