UNIFORM & EQUIPMENT POLICY

Approved by the school

November 2024-2026

Principles

It is our policy that all students should wear clothing that is in keeping with a purposeful learning ethos. We also believe it is important that certain activities are facilitated by specialised and appropriate clothing when attending school, or when participating in a school-organised event outside normal school hours. We provide a complete list of the items needed for student's school uniform in this policy.

Aims

Our policy for student's school uniform is based on the belief that a school uniform promotes a sense of pride in the school, engenders a feeling of community and belonging, is practical and smart, identifies the students with the school, is not distracting in class (as fashion clothes might be), makes students feel equal to their peers in terms of appearance, is regarded as suitable, and good value for money, by most parents, and has been designed with health and safety in mind.

Uniform Costs

We strive to keep the cost of our school uniform to a minimum for parents. Of the compulsory uniform, only the school jumper / blazer and PE sports top is school-specific; all other items can be purchased. School can provide advice and support to help parents on a low income.

Supplier

Our uniform supplier is Schoolwear Solutions. They have been selected as our supplier for cost and quality of uniform. All items can be purchased from their website for home delivery:

<https://www.schoolwearsolutions.com> or from their Oadby based shop.
