23rd May 2025

Dear Parents and Carers,

RE: Lionheart Teaching and Learning Conference: Monday 23rd June 2025

We are writing to inform you about an important additional training opportunity for all secondary teachers across the Lionheart Educational Trust, scheduled for **Monday, 23rd June 2025**.

This training is a vital opportunity to ensure all leaders and subject teachers can meet across the trust to develop shared curriculum plans, explore innovative approaches to teaching and learning, and work collaboratively to improve programmes of learning.

In some subjects, this will include planning for new GCSE and A' level specifications.

On this day, all pupils will be taught on-site as usual during the morning session. For the afternoon session, pupils will be set online learning activities. These activities will be accessible through the Lionheart Virtual Learning Environment, and teachers will monitor pupils' participation to ensure engagement and progress.

To accommodate this schedule, **school will close to students at 12.25pm on Monday 23rd June 2025**. Food will be available at breaktime for those students entitled to free school meals. Please can you make arrangements for your child to be collected or make their own way home at this time.

Online learning

All students in years 7-10, will be set online learning activities in core subjects:

- **Mathematics**

Please can all learners complete at least four goals from your current target course on Complete Maths TUTOR.

- **English and Science**

Please see the grid below for links for online learning in English and Science for Year 7-10 when on-site learning will finish at 12.30pm for each year group.
